CLASSIC WIRE OPENS NEW WAREHOUSE IN CALIFORNIA

Virginia Beach, VA, July 1, 2022 – Classic Wire & Cable has invested in a new warehouse in Perris, California. This new facility will service the growing need for building wire and cable in the Western United States.

“We now have over 200,000 sq ft of warehouse space which enables us to facilitate quicker and more efficient deliveries to our customers in the West,” said George Merritt, VP Sales & Marketing.

By expanding the warehouse size in the West, Classic will now have more capacity for the value-added services it is known for, such as paralleling, cut-to-order lengths and pulling eyes.
