

About Us

Classic Wire and Cable is an industry-leading supplier of aluminum wire and cable products, sold exclusively through electrical distributors. We carry one of the nation's largest inventories of aluminum wire and cable across our three strategically placed distribution centers in Pennsylvania, California and Texas, as well as several rep warehouses located across the country.

Count on Classic - Your go-to for aluminum building wire

Our Services

Classic Wire stands out by offering more than just wire and cable—we provide value-added services like paralleling, cut-to-lengths, pulling eyes, and same-day shipping. Our commitment to going above and beyond ensures a high-quality experience for our customers every time.
