

CLASSIC
WIRE & CABLE

Your go-to for aluminum building wire

About Us

Classic Wire and Cable is an industry-leading supplier and manufacturer of aluminum wire and cable products servicing the commercial, residential, renewable energy, and industrial markets, sold exclusively through electrical distributors.

At Classic Wire, we pride ourselves on offering exceptional customer service, which keeps our customers coming back time and time again. With our commitment to providing high-quality UL Listed aluminum wire and cable products, we have built a reputation as a trusted supplier in the industry.

Our management team is lead by industry veterans with decades of wire and cable experience in sales, manufacturing, distribution, engineering and marketing. This means that Classic Wire customers have direct access to a knowledgeable and experienced sales team as well as local NEMRA affiliated sales representatives that provide unparalleled customer service across the United States.

Count on Classic - Your go-to for aluminum building wire!

Our Inventory

At Classic Wire, we carry one of the nation's largest inventories of aluminum wire and cable across our three strategically placed distribution centers in Pennsylvania, California and Texas, as well as several rep warehouses.

We are committed to delivering in days, not weeks.

Our wide range of UL Listed aluminum wire and cable includes SER/SEU, XHHW, THHN, Type MC, URD, and many more. The products you need are just a phone call away to one of our sales representative offices located throughout the country.
